## PURPOSE

We aim to ensure children and families receive a positive and informative enrolment and orientation process that meets their individual needs. We strive to establish respectful and supportive relationships between families and the Service to promote positive outcomes for children whilst adhering to legislative requirements.

## SCOPE

This policy applies to children, families, staff, management, and visitors of the Service.

## IMPLEMENTATION

Our Service accepts enrolments of children aged between 2- 6 years of age.

Enrolments will be accepted providing:

- a) The maximum daily attendance does not exceed the licensed capacity of the Service
- b) A vacancy is available for the booking required
- c) The adult to child ratio is maintained in each room
- d) Priority of access guidelines are adhered to.

## PRIORITY OF ACCESS

Our Service aims to assist families who are most in need and may prioritise filling vacancies with children who are:

- At risk of serious abuse or neglect
- A child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

To secure a child's position families are required to pay a \$300 bond. The bond will be refunded when the child leaves the Centre, providing that the child's fees are at a zero balance, two weeks written notice has been given and the withdrawal is not within the current term.

Children with disabilities will be enrolled, if in the opinion of management, the Service can meet the child's needs. Additional resources and funding may be required.

## ENROLMENT

When a family has indicated their interest in enrolling their child in our Service, the following will occur:

- Families will be advised to submit an enrolment via our website so that their child can be placed on our wait list.
- Any matters that are sensitive of nature, such as discussing a child's medical needs, Court Orders, parenting plans or parenting orders, will be discussed privately with management. Families will be required to bring any documents required in relation to court orders, or medical needs or plans.
